

Panelift[®] Garage Doors

Stylish sectional garage
doors that protect what
matters to you.

A wooden sectional garage door with a red diamond logo overlay. The door is made of horizontal wooden planks and is set within a white frame. The red diamond logo contains the text 'b&d' in white.

**home
safe
home**™

The name Australia knows and trusts.

Home means different things to different people. A place to relax and unwind, away from the stresses of everyday life. A place to express your sense of style. It is always the place where the things you hold precious belong.

Safe and secure B&D® garage doors help protect the things you hold precious. Our commitment to quality flows through everything we do from custom made solutions to the convenience of automation and nationwide servicing. Whether you are coming or going from home, you can always rely on our superior build quality and commitment to safety to stand the test of time.

Home to the largest range of garage door solutions in Australia, B&D® has a proud history of innovation. We believe our latest collection of garage doors bring together cutting edge technology, beautiful design options and proven reliability that only 60 years of experience can deliver.

Sectional Door Collection.

Panelift® Seville in
COLORBOND® Surfmist

Panelift® sets the standard for strong, safe and reliable operation year after year.

SAFETY – INSIDE & OUT

B&D® is committed to your safety, so every Panelift® door features our Pinchfree™ finger safe design on both sides of the door, protecting fingers from being pinched between the hinges.

SMOOTH & QUIET OPERATION

Custom designed guides allow the door to run easily and smoothly during operation so coming and going from your home is a breeze.

STRENGTH & DURABILITY

Designed to look better for longer, each panel is made with COLORBOND® steel - tried and tested in Australia's harshest conditions for over 50 years.

TRUSTED RELIABILITY

Our 3 Year Parts & Labour Warranty* is backed by a team of garage door experts Australia wide.

Panelift[®] Icon[™] with Auto-Lock

Panelift[®] Icon[™] Nullarbor Smooth in
Luxe Design[™] Medium Bronze

Panelift[®] Icon[™] includes all the key features of Panelift[®] & more. All new wireless lock technology delivers a new level of protection and security.

ENHANCED SECURITY FOR THE THINGS THAT ARE PRECIOUS TO YOU

Our smart keyless technology allows you to lock your garage door every time you close it using nothing but your regular remote control. The lock more than doubles the force required at the lock point to lift the door from a closed position, helping protect your home and loved ones¹.

ONGOING DURABILITY

Icon[™] features corrosion resistant stainless steel cables which deliver long-lasting performance in all conditions.

THE ULTIMATE 'DO-NOT-DISTURB' GARAGE DOOR

Icon[™] combines our custom designed guides with our Smooth Track[™], twin wheel system that provides even smoother and quieter operation.

SUPERIOR PROTECTION FROM THE ELEMENTS

360° perimeter weather seals help prevent dust and insects from entering the garage.

STUNNING STREET APPEAL

Only Icon[™] includes four additional door profiles and the stunning range of Luxe Design[™] colours to perfectly reflect your sense of style.

ABSOLUTE PEACE OF MIND

A trusted 5 Year Parts & Labour Warranty* from Australia's best known garage door brand.

¹ Based on a door using an engaged automatic opener.

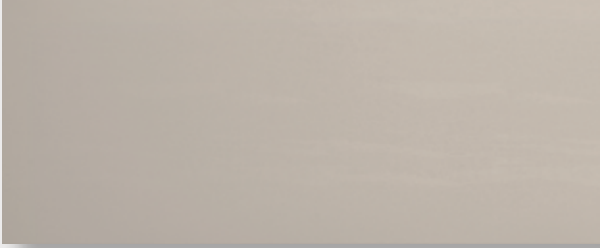

* Conditions apply, full warranty details available at www.bnd.com.au

Colour Options.

Colorbond®

Whether your home is classic or contemporary, city or country, COLORBOND® steel gives you the ability to create the right colour scheme for your home.

A STYLISH RANGE OF CONTEMPORARY & TIMELESS FINISHES
EXCLUSIVE TO **b&d** Paneliff Icon.

Create a visually stunning statement, with the shimmering effects cleverly designed to subtly change in appearance as light conditions alter throughout the day.

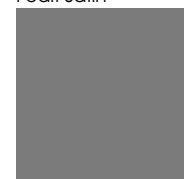

Created by Dulux® to withstand even the harshest Australian conditions.

Additional Dulux colours also available, contact B&D® for more details.

Eternity® Pewter Pearl Satin*

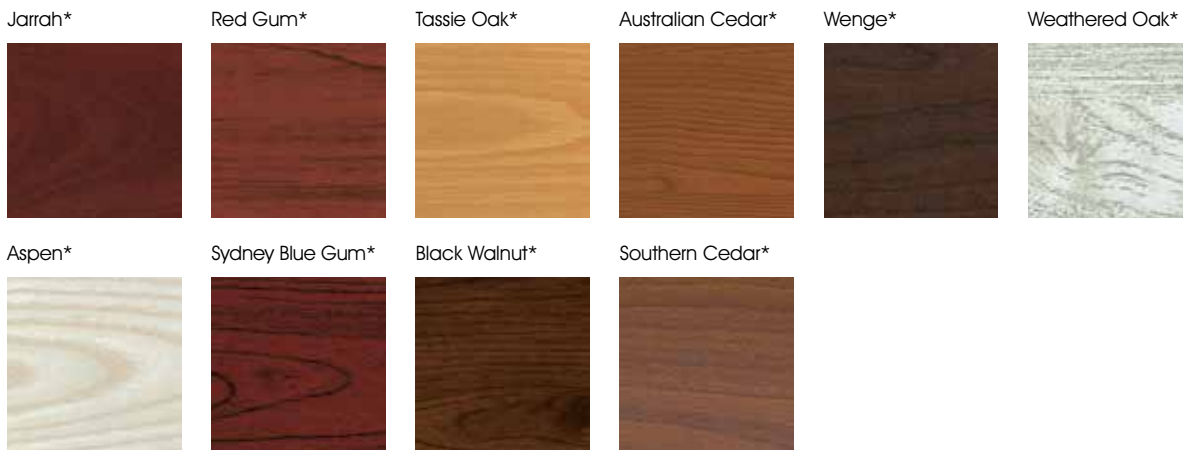

The COLORBOND®, Luxe Design™, Knotwood™ and Timber Coat™ steel colours shown here have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. COLORBOND® and ® colour names are registered trade marks of BlueScope Steel Limited. B&D recommends you visit your nearest B&D Accredited Dealer to view a sample. *A surcharge applies to these colours.

Paneliff® Seville in
Timber Coat™ Maple

KNOT WOOD

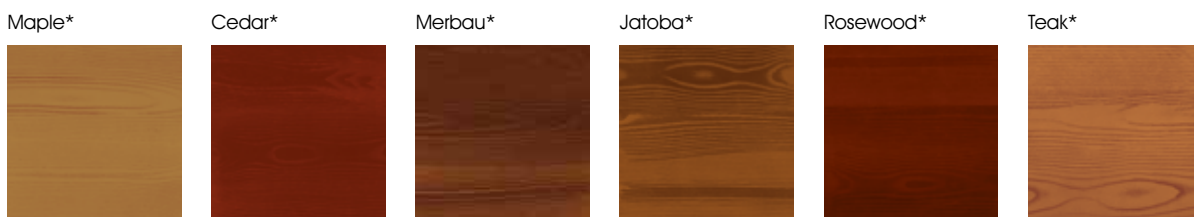

Knotwood™ is a high quality wood grain finish which boasts the natural beauty and warm textured feel of timber.

Knotwood™ is only available on Seville, Turino & Madrid designs.

b&d Timber Coat.

Choose from six great hard-wearing finishes, specially developed to provide the natural look of timber on high quality steel.

Timber Coat™ is not available on the Federation design

VISIT OUR ONLINE VISUALISER

Our interactive B&D Design Centre takes the guesswork out of choosing a garage door to match your home's external facade.

The design centre allows you to upload a photo of your existing home, then select the size, model and colour of your B&D garage door.

It's a step-by-step customisation process that allows you to visualise your combinations - this is your chance to get creative!

Visit www.bnd.com.au to start designing!

Automation.

It is important to partner your B&D® door with a genuine B&D® automatic opener. Designed to exacting standards in Australia and made to work in unison with your door year after year.

Includes:
2 x Tri-Tran+™ Premium Remote Controls and Wall Mount Remote Control

Control-A-Door Advance® opener

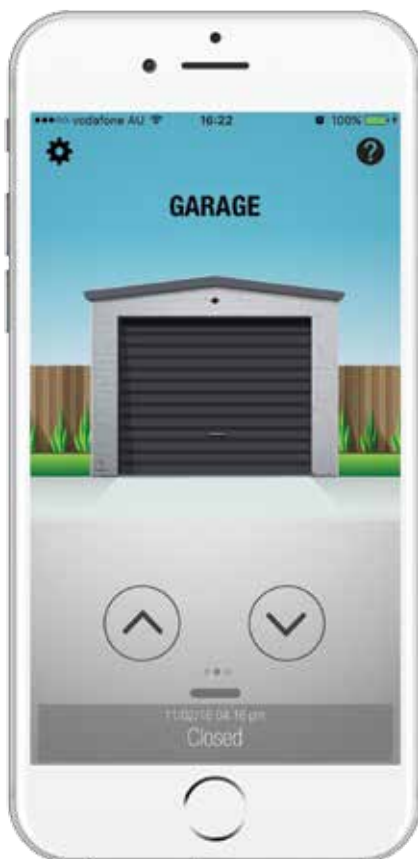

Control-A-Door®

Australians have trusted B&D's garage door automation products for decades. Our latest Control-A-Door® range builds on our rich heritage by combining smooth and reliable operation with a range of features that help protect your family and belongings.

Refer to B&D® Automation brochure for detailed specifications.

Smart Phone Control Kit

Have you ever left the house in the morning and thought, **"Did I remember to close the garage door?"**.

An open garage is an open invitation for unwanted entry so it pays to know that you can control your door while you are away from home with B&D®. The kit allows you to monitor and control your garage door while you are at work or even on holidays from your compatible smart phone*.

Best of all, the kit is available for both Rolling and Panel style garage doors.

B&D® Smart Hub

* Subject to cellular and WiFi connection and availability.
** Kit includes Smart Hub and accessories. Phone not included.

Popular Options.

FOR A FULL RANGE OF OPTIONS, VISIT WWW.BND.COM.AU

Storm-Shield™

Our Storm-Shield™ wind rated sectional door provides added strength, security and protection via self locking guides that engage during a high wind event. A popular choice for security conscious homeowners and those living in high wind regions.

Emb-A-Seal™

Emb-A-Seal fills the gaps around the door, greatly impeding the progress of burning embers into the garage. These seals also act as an effective barrier against dust, sand or leaves entering the garage, creating a cleaner environment. This is particularly important when the garage is used as a living area.

INSUL-SHIELD™

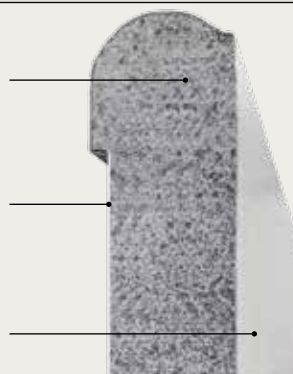

Insul-Shield™ offers excellent heat and noise insulation technology and is a smart choice if you live in a busy area or use your garage for more than parking your vehicle.

Insul-Shield™ is made using ThermaSilver™ - a unique graphite embedded EPS material which provides up to 20% more insulation compared to conventional EPS. It also acts as a two way noise barrier for a noticeably quieter garage.

Graphite EPS
Inner Core

Polypropylene
Backing Sheet

Steel Outer

WIRELESS SAFETY BEAMS

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing it will automatically stop and reverse. B&D® always recommend the use of safety infra-red beams on all automatic garage doors.

If it's valuable to you, don't just protect it it.
